## VEGETABLE- AND HERB SEEDS

The Vikima Seed OP Selection varieties offer you the best strains selected to suit your local conditions. Our OP selection is exported to more than 70 countries and is well-known for its high quality. We take pride in developing our business and new varieties are constantly being added to our OP selection.

We invite you to take a look at our OP Selection Assortment list and to contact us for further information.

**WE HAVE ALL THE OP'S THAT YOU NEED.**

## FLOWER SEED

The mild Danish coastal climate is ideal for flower seed production and Vikima seed has for more than 30 years produced a diversified flower program. We can offer you a wide range of well-known flower seeds which brings beauty where ever they are sown.
